Lodgic Everyday Community is searching for a Workplace Manager to take responsibility for successful leadership of the coworking line of business in the Madison, WI, location of Lodgic Everyday Community, opening in March 2020.

Lodgic Everyday Community

Lodgic Holdings Inc., dba Lodgic Everyday Community, is a wholly owned subsidiary of Moose International, one of the world's largest and oldest fraternal orders.

Over the next few years, 50% of America's workforce will be self-employed, freelance, or remote working in some capacity. The traditional work-life balance has changed; work and home are no longer separate, and managing responsibilities to both has become a juggling act.

Lodgic Everyday Community was conceived in response to this dramatic change in the national workforce and changes to the lives of modern families. Lodgic Everyday Community:

- is the nation's first-ever destination uniting flexible coworking and offices, state-licensed drop-in childcare, meeting and event spaces, and all-day food & beverage under one roof;
- is designed to support and empower modern working families, entrepreneurs, mobile professionals, and whole communities to thrive in their aspirations; and
- delivers an uplifting, service-oriented, collaborative, hospitality-forward experience that serves the modern worker's need for flexibility and support in key areas of life and at all times of day.

At Lodgic Madison, users are welcome to plug in when they want, how they want, leveraging just one service area or all:

- Lodgic Workplace is membership-based, designed to serve a variety of coworking needs for solopreneurs, small businesses, remote workers, or anyone who wants a creative, energizing, design-driven, hospitality-forward professional environment where they can enhance their productivity, enrich

their professional network, and enjoy professional support and hosting services not otherwise available to today's on-demand workers and small businesses.

- Lodgic Kids Camp is enrollment-based drop-in childcare for children 12 months to 12 years, open to any parent who wants the best of both worlds: a high-quality, fully licensed, play-based learning environment and the flexibility of only paying for the care they use, with extended hours on nights and weekends, plus hourly and weekly package pricing available.
- Everyday Kitchen is a full-service, polished casual restaurant optimized to compete effectively in the overall Madison dining market with a modern American comfort food menu centered on the restaurant's showpiece open-flame spitfire grill, plus creative takes on classic cocktails. A daytime café also provides a coffee and juice bar and a wholesome menu of fresh-made sandwiches, salads, pastries, and all-day breakfast.
- Lodgic Events provides gathering spaces to host meetings, presentations, parties, and memorable catering or cocktail events.

Lodgic Everyday Community is designed as a scalable multi-unit brand poised for national growth. The first location opened in Champaign, IL, in 2018, followed by this second location in Madison, WI, opening in March 2020. A third location will open in Louisville, KY, in May/June 2020.
